**CALL FOR INTERNSHIPS**

The CCP/RU internships offer selected students the opportunity to spend a period as an intern at CCP Games. Students enrolled in the BSc, MSc, or PhD programs in the School of Computer Science can apply. This call is for a 6-month Advanced Internship (January to June or February to July) where the student will receive 24 ECTS units and be paid a monthly stipend.

CCP is looking for two interns to work with the EVE gameplay teams and EVE Technical Director on various tricky behind-the-scenes technical challenges.

**Responsibilities include**

- Design, implement, and document changes to some of the fundamental tools that EVE Gameplay uses to create and maintain EVE online.
- Work as part of EVE Gameplay for the duration of the internship.
- Work closely with other team members to create an inspiring and exciting end product that can be easily maintained.

**Required experience and skills:**

- Positivity, open mindedness and enthusiasm.
- Real interest in hard technical challenges and end user satisfaction.
- Fluency in English
- Knowledge of python 2.7 and agile development methods is preferred.

**Benefits:**

- 300,531 ISK Monthly Stipend
- 24 ECTS in RU program
- Lunch
- Employee Cards for consumer discounts

**Time Commitment:**

- 6 months (January-June or February-July, 2019)
- 40 hours per week
- Students may take up to one course at RU during the internship

**Required Documents:**

- NDA - Created by the employer for protection
- University Internship Agreement - Created by the university to cover responsibilities of the university and employer
- Work permit - Only for Non-EU citizens (Takes around 3 months)

**Students must submit project or thesis work according to the normal rules and deadlines at RU.**

**Applicants must:**

1. Fill in the application form enclosed to this call
2. Submit a CV in English

The filled application form and the accompanying CV must be emailed to [games@ru.is](mailto:games@ru.is) by November 30th, 2018.

CCP Games and RU will choose the recipients of the scholarships according to a common selection process. The selection results will be sent to the applicants by email.
